ASSIGNMENT

WHEREAS, Victor R. Sanchez of Fontana, California; Alberto Ceja of Pico Rivera, California and Rigoberto Anguiano of Baldwin Park, California, Assignors, have invented a new and useful MASA HANDLING APPARATUS AND METHOD FOR HANDLING MASA, for which an application for United States Letters Patent has been filed on February 7, 1994 and assigned Serial No. 192,458; and

WHEREAS, Assignors believe themselves to be the original, first and sole inventors of the invention disclosed and claimed in the application for Letters Patent; and

WHEREAS, Machine Masters, Inc., a California corporation, having a place of business at 9639 Rush Street, South El Monte, California 91733, Assignee, desires to acquire by formal, recordable assignment the entire right, title and interest in and to the invention, the application, and any Letters Patent that might be granted for the invention in the United States and throughout the world;

NOW, THEREFORE, in consideration of the sum of Ten Dollars (\$10.00) and of other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignors hereby sell, assign and transfer to Assignee, the entire right, title and interest in and to the invention, the application, and any Letters Patent that might be granted for the invention in the United States and throughout the world, including the right to file foreign applications directly in the name of Assignee and to claim for any such foreign applications any priority rights to which such applications are entitled under international conventions, treaties or otherwise.

REEL 1069 FRAME 592

Further, Assignors agree that, upon request and without further compensation, but at no expense to Assignor, they and their legal representatives and assigns will perform all lawful acts, including the execution of papers and the giving of testimony, that might be necessary or desirable for obtaining, sustaining, reissuing or enforcing Letters Patent in the United States and throughout the world for the invention, and for perfecting, recording or maintaining the title of Assignee, its successors and assigns, to the invention, the application, and any Letters Patent granted for the invention in the United States and throughout the world.

Assignors represent and warrant that they have not granted and will not grant to others any rights inconsistent with the rights granted by this Assignment.

Assignors authorize and request the Commissioner of Patents and Trademarks of the United States and of all foreign countries to issue any Letters Patent granted for the invention, whether on the application or on any subsequently filed division, continuation, continuation-in-part or reissue application, to Assignee, its successors and assigns, as the assignee of the entire interest in the invention.

IN WITNESS WHEREOF, Assignors have executed this Assignment.

Application No. 09/325,122 : DAC FOR PATENTS
Filed: June 3, 1999 : DECISION ACCORDING STATUS
For: METHODS FOR HANDLING MASA : UNDER 37 CFR 1.47(a)

This is in response to the "Petition to Accept Reissue Application Declaration of Non-Signing Inventor Alberto Ceja Pursuant to 37 CFR §1.47(a)," filed September 27, 1999.

The petition is granted.

Petitioner has shown that the non-signing inventor was presented with a copy of the application papers and requested to join in the filing of the application. It is reasonable to conclude from his failure to reply that he has refused to join in the filing of the above-identified application.

The above-identified application and papers have been reviewed and found in compliance with 37 CFR 1.47(a). This application is hereby accorded Rule 1.47(a) status.

As provided in Rule 1.47(a), this Office will forward notice of this application's filing to the non-signing inventor at the address given in the Declaration. Notice of the filing of this application will also be published in the Official Gazette.

After this decision is mailed, the above-identified application will be forwarded to Group Art Unit 1761.

Telephone inquiries regarding this decision should be directed to the undersigned at (703)306-3159.
